The Daily & the Courier don't have any word limits. Longer letters take longer for them to fit in, but they do usually get in. Since one of the pro-wind ads made the claim that most of those who spoke at the Public Hearing were not even from the area, when people send their Public Hearing comments in as a letter-to-the-editor, it might be wise to add the fact that they are Village of Perry and/or at least, School of Perry tax payers - not to mention how much money they spend in Perry each year!!!
